*Getallen-index; pagina's 007-417, dat is tot het einde van hoofdstuk XVII*

Bij de betreffende getallen - cursief gedrukte contourocijfers - zijn alleen die pagina's vermeld waar van een kwalitatief aspect sprake zou kunnen zijn, ook al bleef dat in de tekst ongenoemd. Bij een presentatie als product, is naast de factoren meestal ook het geheel opgenomen; bij '5x11' naast 5 en 11 dus ook 55.
